Dear Partner,

We regret to inform you that with reference to para 4.3 of our contract, from 1st January 2023. we are forced to increase our fee to HUF 1,16 + VAT/box/year.

The general price rise which effects all the Hungarian companies is even more damaging for Recyclomed, since the price of paper and carton used for the collecting containers, the energy costs of incineration of pharmaceutical waste and the fuel costs for transport all risen above the general inflation rate, therefore we are forced to increase our company fee accordingly.

We hope that you understand the necessity of the increase and accept it.

Budapest, 31. January 2023.

Yours faithfully

András Miklósi
Managing Director
