

Dear Partner,

We regret to inform you that with reference to para 4.2 of our contract No. GY/093/2017 concluded on 08.11.2017 we are forced to increase our fee by HUF 0,02 to HUF 0,9 + VAT/box/year.

We do our best efforts in order to economize, therefore our costs haven't increased proportionally to the collected quantity but unfortunately, taking into consideration the current inflation rate we are forced to increase our fee.

We would like to mention that for two years our fee remained unchanged and the current increase is less than the yearly inflation rate.

We hope that you understand the necessity of the 2,2% raise and accept it.

Budapest, 2 February 2021

Yours faithfully
