Dear Partner,

With reference to para 4.2 of the contract concluded between our companies on, we would like to inform you that from 1st January 2019, we are forced to increase our collecting fee to HUF 0,83 + VAT/box/year.

Last year the quantity of communal pharmaceutical waste collected by our company increased by 8,5% and further increase can be expected this year as well.

Our company is dedicated to work cost-efficiently and not to increase the expenses in proportion with the quantity of the collected waste, but we have to include the rate of inflation in our calculation, therefore the increase of our fee is necessary.

Dear Partner, we hope you understand the necessity to increase our fee by 3,75 % and accept it.

Budapest, 22nd January 2019.

Yours faithfully

András Miklósi

Managing Director
